(C/M 2023/07/27 - 5/5/2)

Honourable Councilors, Mr. Helao Naruseb, our Acting CEO

General managers, Managers, and officials of Council, Esteemed Members of the community, Members of the media, Ladies and gentlemen

Good evening once again and welcome to the July Council meeting. We are immensely grateful that you took time to join us tonight. Thank you very much.

Please allow me to share a few highlights from the month of July.

Earlier in this month, the Office of the Mayor was invited to the induction ceremony of Ms Catherine McClean who was inducted as the President of the Rotary Club. The Rotary club is one of our key stakeholders who has contributed and continue to support the community upliftment programmes that we undertake in our town. We wish Ms McClean all the best in her tasks and hope that we will continue to work on sound smart partnership as we share a common goal for the community of Swakopmund.

Still on community outreach and stakeholder engagement news;

I had the pleasure to visit the Ruach Elohim where the lovely and passionate Ms Ronel and her family are raising babies who are abandoned. It was such a beautiful experience as we got to spend the morning with the mother and her children. The children are raised with love and care and we as the community wholeheartedly thank Ms Ronel for their kind hearts. I would like to thus encourage our community to please report babies who are neglected so that we can avoid baby dumping.

Ladies and gentlemen Honourable Councillors

Moving on to regional news;

On the 10th of July, the Honourable Governor delivered the State of the Region Address. During the SORA, the Honourable Governor reported on the activities of the past year and look at the plans for the new year amongst for the Erongo region. We hope that we can continue to place Erongo as the region of excellence.

Honourable Councillors Ladies and gentlemen

More good news;

Last week Friday, on the 21st of July, we handover a total 108 mass houses to the beneficiaries. It was indeed a joyous occasion as we are one step closer to meeting the housing needs of our community members.

When Council realized that there was an increase in housing demand whilst there was a huge number of houses abandoned, we initiated and collaborated with NHE to take over the initiation of the project through our line Ministry. I am happy that Council took this decision to fast track the completion of this project. Over 500 dwellings, including serviced land, were kept unfinished for eight years. 319 unfinished homes and undeveloped land were handed over to new era contractors in October 2022. We appreciate all that was done to make this dream become a reality.

The list is long and right now it may seem like only a dream, but please bear with us as we are determined to provide decent shelter for our community members especially since we also understand the frustration of living in a shack as it made of fire prone material which is one of the contributing factors to fire outbreaks in our town.

Honourable Councillors,

Ladies and gentlemen

In terms of education, I am pleased to share that I had the courtesy to address more than 1300 learners who attended the Annual Career Fair on the 25th of July. This platform has been crafted in efforts to create awareness amongst learners on the different types of career opportunities through exhibition and presentation of career options.

Honourable Councillors

Ladies and gentlemen

I believe you will all agree with me that our Namibian children depend on us as leaders to direct and guide them to take note of and understand the dynamics of the economic sectors so that they will be able to make the right choice for their own destiny. Bearing in mind, the rise in the social ills in our community, it is of paramount importance that we stand together to save our children. I believe that this career fair was indeed a great platform and a step towards the right direction as it may spark their interest and draw attention to the disciplines of their dreams.

Moving on to safety and security of our community members;

On a rather saddening note, we have been experiencing an increase in the number of fire outbreaks. Just this month, we have recorded fire outbreaks on the 5th of July which affected a family of four, another one on the 12th of July which affected more than 38 victims and again yesterday afternoon there was another fire which affected more than 23 victims.

This is becoming worrisome, and I understand it is also a difficult time for our community members who suffer as a result of this. However, I would like to stress on the importance of taking precautionary measures in order to curb this fire outbreaks.

As Council, we have been assisting the victims with basic items and I would like to express our profound gratitude to our stakeholders who have come on board to render their support.

Before I conclude the announcements, In response to the Safety meeting that we held last month, the Council in conjunction with the Namibian police will have a joint operation where they will conduct safety and security inspections. Through this, we hope to address the rise in crime in our town especially at the identified hotpots.

As Council, we strive to ensure the well-being and safety of our residents and are working tirelessly to combat the challenges. However, alone we won't be able to do, but through collective efforts, we can reach our goals.

With that said, thank you for your undivided attention and let us now proceed with the Agenda.
