

**CALL FOR APPLICATION**  
**SOLAR INSTALLATION AND MAINTANCE (LEVEL1)**

Swakopmund – Giessen Community and Skills Development Project, is a partnership between COSDEC Swakopmund and Swakopmund Municipality and the City of Giessen - Germany. This project is excited to announce the recruitment of trainees for Solar Installation and Maintenance (Level 1). This training program is an excellent opportunity for individuals interested in gaining hands-on skills and knowledge in the field of solar energy.

**Program Overview:**

- **Training Focus:** Solar Installation and Maintenance (Level 1)
- **Training Location:** COSDEC Swakopmund
- **Training Duration:** 12 months level 1 and to 24 months for level 2 continuation as per NTA training Qualification and Assessment schedules.
- **Start Date:** October 2024 with orientation and project preliminary activities.
- **Application Deadline:** 13 September 2024

**Who Should Apply:**

- Individuals passionate about renewable energy and sustainability.
- Young adults looking to develop skills in solar installation and maintenance.
- Unemployed individuals seeking practical training for the solar industry.
- Applicants with basic electrical knowledge or a keen interest in technical and engineering fields.

**Eligibility Criteria:**

- Namibian citizens
- Minimum of Grade 10 or equivalent educational level.
- Basic understanding of English, both written and spoken.
- Physically fit and able to work outdoors.

- No prior experience in solar installation required, but basic technical skills will be an advantage.

### **Benefits of the Training:**

- Gain practical, hands-on training in solar installation and maintenance.
- Learn from experienced professionals in the solar industry.
- Receive a qualification upon successful completion of the program.
- Enhance your employability skills and career prospects in the growing field of renewable energy.

### **How to Apply:** (Interested candidates should submit the following documents)

- A completed application form (available at COSDEC Swakopmund).
- A copy of your ID or Passport.
- A copy of your highest academic qualification.
- Any supporting documents or certificates (if applicable).

### **Submission of Applications:**

Applications can be submitted in person at COSDEC Swakopmund. Ensure all documents are submitted with the application.

**Closing date: 13 September 2024.**  
Late applications will not be considered.

### **Contact Information:**

For more information or inquiries, please contact: Mr Wilfred Kauripeke, COSDEC Swakopmund, office number: 064 403046

***Take this step towards a brighter future in the solar industry. Apply today to be part of this exciting training opportunity***
